

XPLORE PURPOSE & PASSION TOUR 2027

CAMBODIA

8 DAYS / 7 NIGHTS | 3–10 NOVEMBER 2027

Overview

Purpose and Passion Cambodia is an intimate, thoughtfully curated journey for women to explore, connect and pause.

Over eight days in Siem Reap, we'll discover the extraordinary temples of Angkor, explore markets and local culture, enjoy beautiful food and support organisations creating positive change.

We'll stay together in Rambutan Resort, our authentic boutique retreat, with time for poolside conversations, massages, artisan shopping and simply doing nothing.

Hosted by Amanda Webb, CEO of Xplore for Success and host of the Her Time, Her Place podcast.

Limited to 10 travellers, including your host.

Purpose

Purpose has always been at the heart of our journeys.

In 2027, we return to Siem Reap ten years after our first visit, reconnecting with a community organisation that made a lasting impression.

Throughout our journey, we'll make thoughtful choices about where we eat, shop and spend our time - seeking out local restaurants, cafés and boutiques that are social enterprises or support Cambodian artisans and communities. It's a chance to discover beautiful places, meet inspiring people and ensure our visit contributes to the local economy in meaningful ways.

This is travel with purpose, and space to pause.

Siem Reap: Place, Connection & Pause

Our home in Siem Reap will be Rambutan Resort, a character-filled boutique resort known for its warm, genuinely inclusive welcome, close to the river, artisan markets and local restaurants.

We will explore the remarkable Angkor temples, experience sunrise at Angkor Wat, visit local social enterprises, explore Kompong Khleang's communities and experience sunset on Tonlé Sap Lake.

And there will be plenty of unhurried time: by the pool, at the spa, browsing markets or discovering a favourite café.

Our Purpose Partner: Human and Hope

Human and Hope Association is a Cambodian-led community organisation supporting local families through education and opportunity.

Amanda first visited in 2018 with a group of Australian women. Almost ten years later, we will return to learn about the organisation's work and the difference a decade can make.

Our visit will be thoughtfully organised in two small groups to respect the school community.

Each traveller is to fundraise or donate AUD $200 before departure to support Human and Hope's work.

See over the page for the full itinerary.
